I think not. In 1890 the U.S. Government Shot & Killed Over 290 UNARMED Indians at School, Including Over 200 Women and Children. How Quickly We Forget History.

They Gave Up Their Guns Too. Remember That!

One of the main causes of the American colonies to rebel against the British was their seizing of citizens' guns. So it is with totalitarian governments — Adolf Hitler, Castro, Stalin, Mao.

WWII Survivor Warns of SOCIALISM and GUNCONTROL

<https://www.youtube.com/embed/JBS5i0k7Mh0>

THIS IS FIRST HAND HISTORY! - Kitty Werthmann, an Austrian World War II survivor, gives her account of Hitler's takeover of Austria. The similarities to today's left and their "progressive agenda", are staggering! We should take heed of her warnings. We are seeing the same thing that Hitler did prior to and during WWII today, only at a slower pace. More and more of our freedoms are being taken away, and it's happening over generations so that each new generation grows up with less and less freedom. This is a MUST WATCH!

"Keep Your Guns!!"

HAVING A GUN IS LIKE HAVING A FIRE EXTINGUISHER, FIRST-AID OR SURVIVAL KIT.
IT IS BETTER TO HAVE IT AND NOT NEED IT, THAN TO NEED IT AND NOT HAVE IT !

**THIS IS
HOW DEMOCRATS RESPONDED**

FREE MEN OWN GUNS

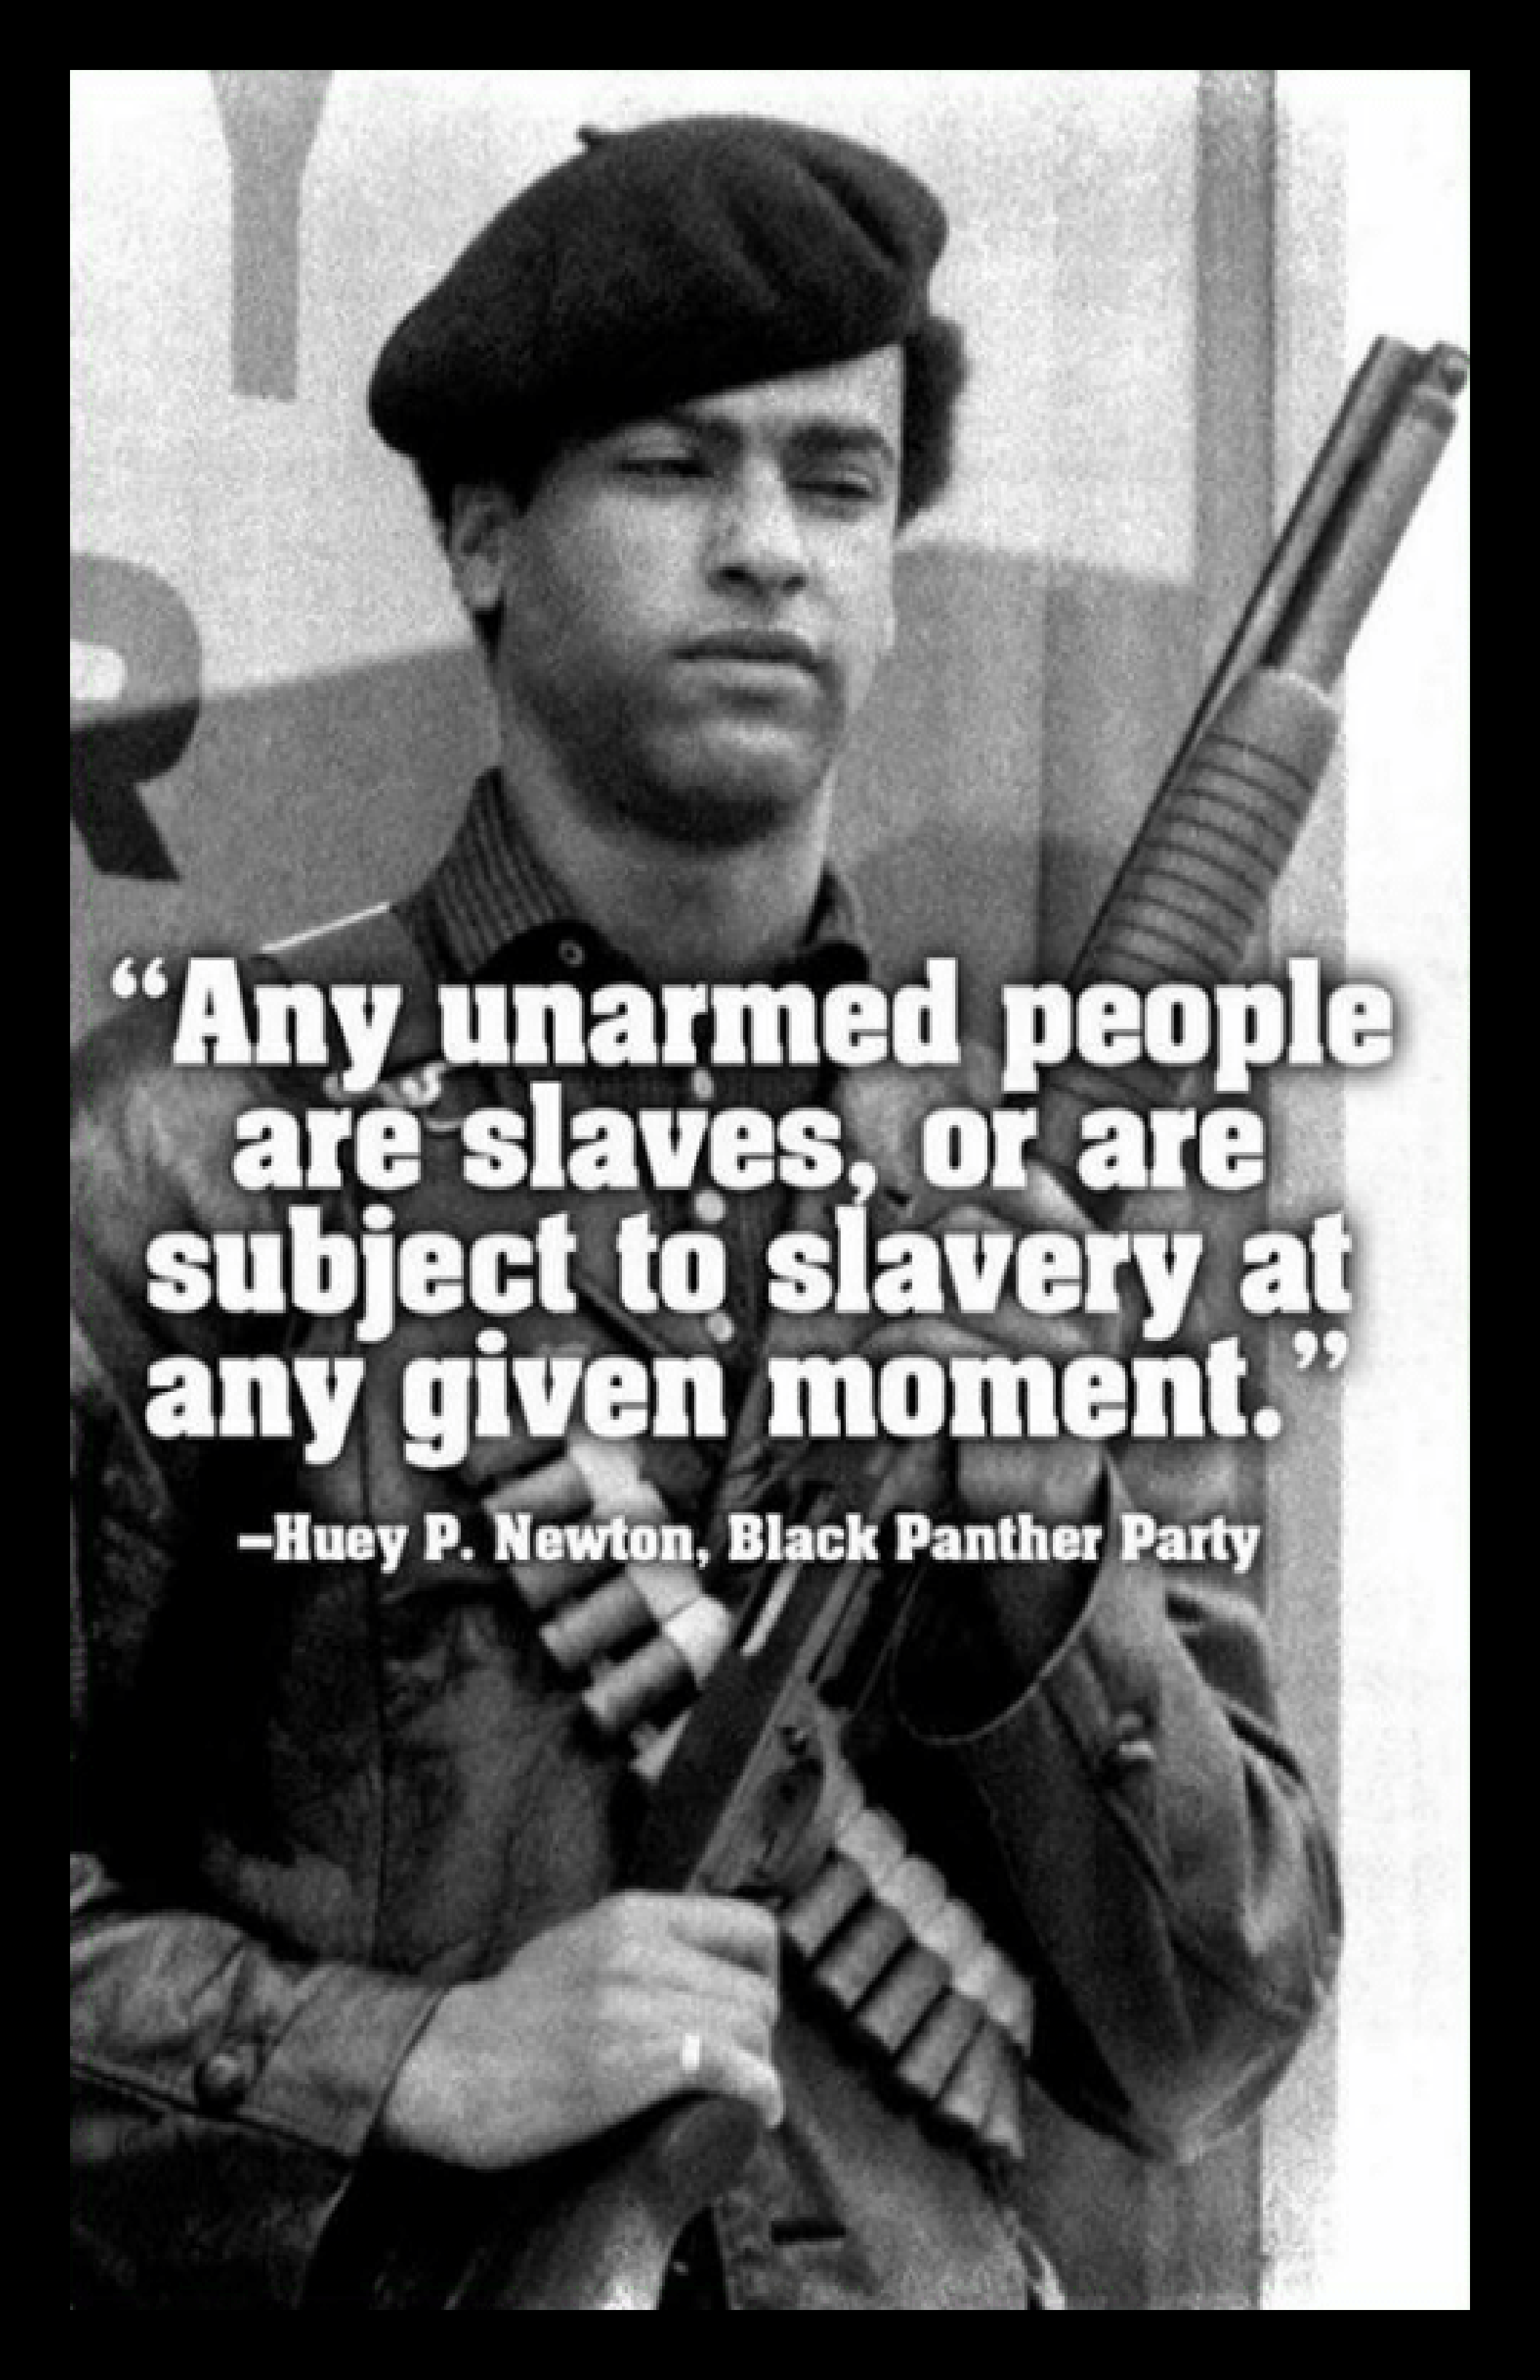

SLAVES DON'T.

It is also a matter of HISTORICAL FACT that once the Democrat Party had taken back control over the Post-Reconstruction South after the Civil War, the first thing they did was to enact Gun-Control Laws to strip the newly freed slaves in their jurisdictions of their rights and abilities to defend themselves and their families from the Marauding Bands of the Democrat Party's own Predatory Para-Military Wing, the Klu Klux Klan.

The original purpose of gun control:
to protect the Klansmen from their victims.

Gun Control is Racist.

DETROIT POLICE CHIEF DEFENDS STANCE ON BACKING CITIZENS CARRYING GUNS

Police Chief James Craig responded Thursday to a citizen who criticized his pro-gun stance by reiterating his opinion that "good citizens" who legally carry firearms could help deter violent crime. Craig made national news earlier this month after he told The Detroit News he'd changed his mind about the gun issue, and came to the conclusion that armed citizens could dissuade criminals from attacking them — a rarity among urban police chiefs, who generally don't publicly support citizens' right to carry firearms. "In fact, there's been research ... by the Department of Justice and some scholars that armed citizens, good citizens, can have a deterring effect on violent crime," he said.

After arrests plunge and violence soars, Baltimore residents are now whining about being scared and worry they've been abandoned by the police officers they accused of harassing them. Residents wanted police out of their neighborhoods and now Baltimore is experiencing their deadliest month in more than 15 years. It seemed the citizens would appreciate a lack of police presence...and that's exactly what they're getting.

Pregnant Florida woman uses AR-15 to fend off burglars attacking her family

A Florida woman who was eight-months pregnant and came out wielding an AR-15 rifle reportedly saved her husband and pre-teen daughter last week from a pair of violent intruders who'd broken into the family's home — with the gun-toting matriarch fatally striking one of the men, who was later found dead in a nearby ditch.

CAUTION

POLICE STATE

If Obama is opposed to guns, why did his administration just purchase 1.6 BILLION rounds of ammunition and sniper rounds?

DHS does not fight wars with foreign nations. It's entire theater of operations is on U.S. soil, dealing solely with the American people. Hollow point ammunition is banned by the Geneva convention and is not used by the U.S. military. This ammunition can ONLY be used domestically, in the United States, against U.S. targets, meaning us.

Police Officer Alexander Thalmann of New Bern, NC, was shot and killed by a convicted felon on March 31st, 2014.
